**Subject- Intimation under regulation 30 of SEBI LODR Regulations, 2015**

Dear Sir/ Madam,

We wish to inform you that as part of Company commitment to sustainability, the Company has received the approval from Gujarat Energy Development Agency (GEDA) for installation of 250 KW Rooftop solar power plant at Factory situated at 856/4, Sarali Pithai Road, Village: Pithai – 387630, Dist: Kheda.

**The Key benefits which will be derived from the solar power system is produced below:**

- These plants once installed will provide/setoff around 42 percent of factory energy needs.
- This Will result in cancelling out a total of 341 MT of carbon dioxide emission per annum.
- It will reduce operational cost of the Company and it can reduce or eliminate your business's electric bill.
- It will result one step towards environment protection and sustainability.

The proposed installation involves cash consideration of Rs. ~1.20 Cr. and will be completed within 4 Months.

The Company believes "Solar energy is one of the cleanest forms of energy and the Company proud to utilize it to service about ~42 percent of our factory energy needs. The Company's sustainability efforts support India's energy transition goals as well as contribute towards environment sustainability.
